

## Bare Home Premium Ultra Soft Microplush Velvet Blanket

The Bare Home Premium Ultra Soft Microplush Velvet Blanket's super soft, velvet-like fleece is hard to resist. With this touchable blanket, you just might find it difficult to force yourself out of bed in the mornings - but don't worry, we won't judge if you hit snooze more than once. The hypoallergenic microfleece is perfect for those with asthma or allergies, especially since the fabric won't shed or pill. Size and color options are subject to availability. Size Information: Twin/Twin XL Size: 62W x 92L in. Full/Queen Size: 90W x 90L in. King Size: 108W x 90L in.
