

## CAP Barbell High Density EVA Puzzle Floor Mat, 4 Pieces

The CAP Barbell High-Density EVA Floor Mats are meant to provide sufficient cushioning to hard floor surfaces to protect the flooring and reduce the risk of injury during a workout. While being easy to clean and maintain, it is also durable enough to withstand long-term use. The EVA material of these workout floor mats ensures that they remain odor free. It sports a puzzle design to give your flooring a unique, finished look.
