

Gaiam New Yoga Beginner's Kit, Teal

New to yoga? No problem. Whether you're seeking a workout that challenges your whole body or increased flexibility, this is a great way to get started. Our alignment yoga mat features guides to correctly position your body while you pose. Modify difficult poses, increase your flexibility, and feel supported with our yoga block. The yoga strap invites you to deepen your stretches and increase your range of motion, and you will also gain access to digital workouts to get you started.
