

## Gold's Gym 25cm Anti-Burst Core Ball

Tone up your abs, back and inner thigh muscles with the Gold's Gym Core Exercise Ball. The fitness ball not only helps you get lean, it also increases range of motion and flexibility. The Gold's Gym fitness ball focuses in on key stabilizer muscles in order to boost performance, strength and endurance. Made from an anti-burst material, the ball is incredibly durable and will withstand any your heaviest workout routine. An exercise chart and inflation straw are included with the purchase of this anti-burst exercise ball.
