Gold's Gym 24 SqFt 6-Piece High Impact EVA Foam Puzzle Exercise Mat

The Gold's Gym Puzzle Exercise Mat allows you to power through high-impact workouts without damaging your floors. This 6 piece mat comes together to form a 24 square foot area of protection, stopping heavy equipment from scratching or otherwise harming your flooring. This Gold's Gym floor mat doubles as the perfect exercise platform for weightlifting, yoga, HIIT workouts, and other aerobic training routines as it is easy to wipe clean and comfortable to work out on. Built with odor-free EVA foam and an anti-slip surface, this floor mat helps prevent slipping, repels water, and helps absorb noise and vibration without appropriating a nasty smell. Lightweight construction makes it easy to quickly assemble your exercise mat, and then tuck it away for convenient and compact storage in your home. Each tile measures 24" x24" and is about half-aninch thick, providing plenty of protection from treadmills, exercise bikes, ellipticals, and other heavyweight workout equipment.
