

Heavy Duty P.V.C. Equipment Mat for Upright Indoor Cycles

The Supermats Equipment Mat is an ideal floor cushioning solution for use with cardio exercise machines including treadmills, ellipticals, indoor cycles, or to use as a general aerobics exercise mat. Made of super-tough, odor-free PVC material, this mat features a non-slip surface that is perfect for any room in your home, garage, or business. Ideal to cushion your floors and protect your equipment.
