

## Large Bearing Sling Trapeze Hammock Nylon Taffeta Yoga Pilates Belts Inversion Tool Relieve Back Pain or Strain

Features: A long yoga cloth in the middle, the complete set of 3 training belts with 3 foam handles in both sides, and 4 independent hooks can be hung in the ceiling or wall. A versatile prop great for yogis at all levels. Brings the potential for all sorts of possible uses. Restorative and supported poses that alleviate discomfort and make poses easier may be the most popular ways this versatile prop is employed. It will give you a soothing massage to your back or internal organs while helping you to stretch in entirely new ways. A Simple Convenient Way to Traction the Spine. Affords numerous ways to gain relief from back pain or strain. This is achieved by simply hanging upside down and reversing the gravitational pull on your head, neck and spine. Your muscles will relax while the spaces between your vertebrae will open. And here's an added bonus. It feels great! Specification: Large bearing yoga swing 100% Brand new. Size: about 2.5m\*1.5m (98.42" \* 59.05") Material: Polyester Taffeta Weight: about 1200g Load capacity: 300kg Color: Black/Blue Package Content: 1 x long yoga cloth 6x training belts 6x foam handles 4x hooks
