

## ProForm 40

Protect your floors with the durable ProForm Equipment Floor Mat. Having access to exercise equipment in your home can be a huge benefit for your personal health, but you shouldn't have to sacrifice your flooring to stay fit. The ProForm Equipment Floor Mat is built to withstand the burden of heavy equipment during repeated use. Vinyl construction provides superior protection beneath treadmills, exercise bikes, weight benches, elliptical machines, steppers, and more. Measuring 40 inches by 80 inches, this floor mat will provide maximum coverage to protect your flooring from scrapes and scratches, reduce noise, vibration, and add shock absorption. This mat is easily portable; it can conveniently roll up and transport to wherever your workout is. Utilize your ProForm Equipment Floor Mat for floor exercises and stretching, maximizing your space and getting the most bang for your buck. Exercise mats also prevent your machine's motor from sucking in carpet dust as you train, helping prolong your equipment's life.
