

RBX Active Women's Seamless Low Impact Workout Sports Bra

Fashionable bra for low impact activities
Removable cups for optional support
Seamless design for extra comfort
Tag-less design to prevent irritation
Flexibility for comfort and performance
With our strappy low impact sports bras, you'll be toeing the line between sporty and casual. A tag-less design prevents irritation, and back ventilation make for an effective sports bra without chafing. With styles including features varying from adjustable straps to removable cups, we have a fashionable and comfortable option for anyone's unique style.
