

Renew 6mm Blue Yoga Mat with Fleur De Lis Silk-Screened Light Green Design with Microban

Enhance your practice with the Renew 6mm Blue Yoga Mat with Fleur De Lis Silk-Screened Light Green Design. This rugged mat is ideal for yoga or mat pilates, with superior antimicrobial protection. The non-slip yoga mat has a textured surface to facilitate easy gripping in standing and seated postures. It's infused with Microban antimicrobial solution to prevent the growth of odors and stains from bacteria, mold and mildew. The 6mm surface is thick and cushioned, helping you stay buoyant as you move through your asanas; it can be simply wiped clean for easy care. The mat can be paired with a non-skid yoga towel as needed for additional support during hot yoga classes, including Bikram and hot yoga methods. The Microban yoga mat features a beautiful silk-screened design that's printed on both ends for a modern, earthy look. It comes in a soothing, gender-neutral blue and teal color combination; non-skid yoga towels and other yoga accessories sold separately.
