

SPRI Hanging Exercise Mat (56

The SPRI Hanging Exercise Mat (56" x 23" x 3/8-Inch) is designed to save-space by hanging. These dense, high-quality closed-cell foam mats that are light and resilient, perfect for core training, low impact exercise and stretching. This mat can maintain its shape and stay flat on the floor whether you stack, roll or hang them after use. Reinforced plastic grommets won't rust, harm floors, and bend or deform when stepped on. Available in two lengths. Sold individually.
