

## Teach My Yoga Mat Set - Hop and Learn

The Teach My Yoga Mat Set offers a unique way for little ones to expend their energy and have fun. It's designed to encourage active learning in a wide variety of ways. This Hop and Learn yoga mat can help your child master the alphabet and numbers. There are several different shapes and colors that provide visual stimulation. It comes with a fold up spinner, bean bags and play tokens. This kids' yoga mat offers an entertaining way to teach and it comes with a learning guide to help get you started. The set includes play tokens, a storage tube and ties to keep everything in place. Research has shown that children who move while learning may absorb more information. Plus, physical activity is important for a healthy mind and body.
