

Tone Fitness Yoga Mat with Carry Strap, Blue Leaf

Create a safer surface for your poses with the Tone Fitness Yoga Mat. It is 5mm thick and contains extra padding that supports your joints, muscles and body as you stand and stretch out. It also weighs just over 2 lbs, which makes it easy to carry on your way to class. Use the 24" x 68" yoga mat to practice your poses almost anywhere. Its textured surface provides a slip-resistant grip, so you can safely hold your pose even when it's drenched with your sweat. Free of latex, the Tone Fitness Yoga Mat features a leaf and branch print for a lovely nature-inspired touch. It also has built-in carrying strap to make it easier and more convenient to take with you. Pair it with accessories from Tone Fitness collection, such as stability balls, neoprene dumbbell sets, walking dumbbells, walking weights, wrist weights, weighted vests, weight gloves and more (available separately).
